

NIPA CONTACT SHEET

Issue 13 - 23rd December 2023

President's Welcome

The Panel Project started in 2021 with a number of Clubs taking part in collating a body of photographs as a Club and presenting them to all the other clubs. This successful format was repeated this year and on Monday 4th December, Clubs showcased their new panels. It was an interesting and informative night. All the narratives have been recorded and are on our YouTube Channel for you to see and hear. The link is emailed to all Club Secretaries. All being well, there will be another Panel Project running in 2024.

Anita

ps All of the panels from 2021 and 2023 can be viewed better, along with their narratives, on the NIPA website www.nipphoto.co.uk - select Community tab
